

Little League Baseball

Support your Local Little League Baseball Teams!

Baseball season is quickly approaching and what better way to support your community and help build your business than through supporting your SYA Little League. We expect to field approximately 75 teams in SYA Little League, with over 800 baseball players participating. The association, <http://www.syabaseball.org>, has great success in providing youth development, fun, and great camaraderie for our kids. By supporting a Little League team you will gain exposure for your business through the network of families, friends and other businesses associated with SYA Little League.

The money raised will help towards the future development of our fields and grounds, provide uniforms and other sports equipment for the players in the league, and offer aid to deserving children. In addition to getting the satisfaction of supporting a great American tradition you also receive some tangible return.
